Dated: 11.08.2025

Subject: Alumni Mentorship Program for MBA (Finance) 2025-2027 Batch

The Institute has always believed in fostering strong connections between its students and alumni to enhance learning and professional development. As part of this initiative, AJNIFM has successfully connected with alumni of the MBA (Finance) program, who have graciously agreed to mentor students of the current MBA (Finance) 2025-2027 batch.

This mentorship program aims to provide guidance, industry insights, and career advice to our students from experienced alumni mentors. Each student has been paired with a dedicated alumni mentor.

The list of mentors assigned to each student is attached. Students are advised to connect with their respective mentors at the earliest and make the most of this valuable opportunity. Contact details of the Mentor may please obtain from MBA(Finance) Office.

Students are expected to approach the mentorship with sincerity, respect, and a commitment to learn.

For any queries or support related to this initiative, you may contact the Career Development Centre.

We look forward to your active participation.
