CIRCULAR

It has been brought to the notice of the Institute administration that certain hostel residents are allegedly bringing prohibited substances/items from outside the campus and consuming/storing the same within hostel premises.

It is hereby reiterated that consumption, possession, storage, distribution, or facilitation of use of alcohol, narcotic substances, psychotropic substances, or any other prohibited/intoxicating items within the hostel premises is strictly prohibited, except as may be permissible under applicable law. Entry into hostel premises while under the influence of alcohol or any intoxicating substance is also prohibited.

Activities such as gambling or any other conduct prohibited under applicable laws, Institute regulations, or hostel rules are also not permitted within hostel premises.

It has also been observed that certain residents are using unauthorized electrical appliances/items in hostel rooms such as induction cooktops/plates, electric heaters, hot plates, immersion rods, electric kettles (where not specifically permitted), gas stoves/cylinders, or any other high-load cooking/heating equipment. Such items pose serious fire hazards, electrical safety risks, and may adversely affect hostel infrastructure. Accordingly, possession, installation, or use of such unauthorized appliances/items in hostel rooms is strictly prohibited unless expressly permitted by the competent hostel authority.

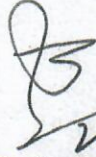

Residents shall ensure that no act is undertaken which may endanger safety, security, hygiene, or discipline within the hostel premises.

Any violation of the above instructions shall be treated as misconduct and may invite disciplinary action, including warning, recovery of damages (where applicable), confiscation of unauthorized items, suspension/withdrawal of hostel facilities, eviction from hostel accommodation, and/or action under applicable statutory provisions, wherever warranted.

Action in such cases shall be taken after due examination of facts and in accordance with applicable rules and principles of natural justice.

All hostel residents are directed to strictly comply with the above instructions. Hostel authorities, security personnel, and concerned programme divisions shall ensure compliance.

This issues with the approval of the Competent Authority.
